welcome to the anf

Thank you for thinking of joining the ANF (Victorian Branch). ANF is run by nurses and midwives and has over 60,000 members. It is the only union that represents nurses,

midwives, assistants in nursing and personal care workers industrially and professionally. Our strong and unified membership has enabled the union to make a real difference to nursing and midwifery in Victoria. Nurse/midwife to patient ratios, qualification allowances, accrued days off, pay rises, professional leave, study leave, paid parental leave, no-lifting policies, improved OH&S standards and improved night duty allowances are just some of the conditions that have been achieved for many nurses and midwives because ANF members worked together.

But the professions must continue to work to ensure that they have the recognition and resources they need. Extended and improved nurse/midwife to patient ratios, keeping nursing in nurses' hands and salaries that reflect the real value of nurses' and midwives' skills are just some of the issues the ANF is working toward and we need you to help us. The more members we have, the stronger we are and the more we'll achieve.

If you are committed to a nursing/midwifery career, if you want to see nurses and midwives recognised for the work they do, if you want to make sure the Victorian community receives high quality nursing and midwifery care, then join us, work with us and be part of making nursing and midwifery the wonderful and satisfying professions we know they are!
